

Minneapolis Gun Club National Trapshooting Day Results September 23, 2012

Thanks to everyone who participated in the 2012 MGC National Trapshooting Day program. It was a beautiful Fall day with clear blue skies. A fitting day to finish off the ATA event shoots in MN. Congratulations to Matt Clark, the winner of the ATA Life membership and to the Class and Yardage winners. Hope to see everybody at the Jackpot Shoots every Saturday starting September 29th.
