## 16<sup>th</sup> Annual Handicap Championship

The first couple days of the MGC Handicap Championship were held under great weather conditions, summer temps and light winds, but Sunday not well.

Friday was a new event, the Neil Winston 200 Singles. Up for grabs, in addition to the Class Trophy belt buckles was a Custom John Storm embroidered coat for a 200 straight. The great weather brought great scores. Jim Walkowiak ran the 1<sup>st</sup> hundred and many were in the high ninety's. Walkowiak came oh so close, missing his 38<sup>th</sup> target in the 2<sup>nd</sup> hundred for a 199.

Saturday was just as nice for the Plaza Dental Singles, and again, great scores. Laure Zumbusch showed the "boys" how to shoot posting the lone 100 straight.

The MGC Handicap Championship, 200 targets, combined score, was next with added money, \$1000 Bonus for a 100 straight, the Tilden Trophies custom belt buckle for high gun and your name added to the perpetual plaque for everyone to see. And to enjoy the Roast Pig Dinner compliments of Neil Winston. That alone was worth going to the shoot.

When the target dust cleared....Jerry Demulling won the Championship for the THIRD time. Jerry had a 94 in the first 100 and a 98 in the 2<sup>nd</sup>. He missed 2 targets on one post and smashed all the rest. Great shooting Jerry!!!! And "oh so close" Scott Steffen, who had a 21 on one trap, was 2<sup>nd</sup> with a 191. Young Anthony Klassen, a high school student, had a 98 in the 1<sup>st</sup> hundred and a 91 in the 2<sup>nd</sup>. Great competition. Ties divided the added monies.
