**GENERAL INFORMATION**

Forest Lake Sportsmen's Club offers 6 program traps. We will shoot 50 targets per trap for Singles and Handicaps. Practice traps will open at 9:00 am each day.

Classification will be based on shooter's current average and known ability. Shooters with less than 500 targets for the previous or current year will be classified no less than Class B.

Shooters earning yardage in any handicap event must report to the classification desk to have their ATA card properly punched.

Singles and Doubles Class winners will move up 1 class for the following day's event.

It is the shooter's responsibility to check their classifications, yardages, options played and their scores.

Trap loads are available at the clubhouse. If you want your empties, please don't let them hit the ground.

The management may alter, postpone or extend any of this program.

Management has the right to remove or disqualify anyone who disrupts the shoot.

Thank you for coming and good luck shooting.
