Ties=16's from the back then Handicap from the back.

What a great day for what hopes to be an annual event between MGC & Del-Tone Luth. The shooting was fast & furious and bragging rights for those pies made everyone shoot their best.

As a courtesy to the visiting club, Del-Tone was allowed to squad first to have 1st chance to start piling the pies up. Welllllll, they got done with the 16's, the "easy"

targets, and.....no pies!!! What the heck is up with that??? On to the Handicap.....and nada, nothing, pie-less. A MGC squad was next out and after all of those sootballs drifted away.....one pie was gone for the taking.....to the guy in the pumpkin orange sweater....Jiiiiimy Bowen. I knew those Kiner drills would pay off. Next another Del-Tone squad, and waddayou know...Ray Steffenson showed 'em it could be done. And, so it went, for awhile, then the flood gates opened up when more hungry MGC shooters showed up. Final tally.....MGC 7 pies.....Del-Tone 3. Tomorrow, the MGC contingent will head Nort to see how it goes for those Del-Tone pies...and the bragging rights for the 2010 Halloween Pumpkin Pie Shoot.

The pie winners are; Jimmy Bowen....Ray Steffenson....Curt Peterson....Bob Wiltse....Jeff Hoppes....Mark Hintz.....Dennis Kecker (from the 27yd line)....Charlie Leavitt....Bob Smith...Scott Steffen

Now, there was still one pie, that huge Carmel Apple Pecan Crunch pie for the top score. There were 2 shooters that carded 49's. Jeff Hoppes from Del-Tone and Jiiimy Bowen from MGC. Jeff had run his 16's and had 24 in Handicap. Jimmy had 24 in 16's and ran his Handicap. That only means one thing....COIN FLIP!!! So, here we go, with way too many people watching. Heads on the first flip means long run in the 16's, tails would be long run in Handicap. Up in the air the flipping coin goes, making about 20 revolutions, it lands in the hand and gets turned over to the back of the opposite hand, and its....HEADS!!! And Jeff goes home with the prize winning pie. This time. Nice shooting Jeff.

Thanks a lot to everyone who shot/showed up to make it a great event. Hope to see you at Del-Tone Sunday and MGC next Saturday.

Mark on your calendar November 20th, Minneapolis Gun Club will be holding the annual MGC Turkey Shoot. Shoot a 25 straight, take home Thanksgiving Dinner.
