

Minneapolis Gun Club Jackpot Results October 29, 2011 Halloween Pumpkin Pie Jackpot

What a great day to be out shooting and having fun. 82 entry's today. Lots of shooters from Wisconsin and Southern Minnesota. Thanks to everyone who shot today and a special thanks to those that traveled long distances to be part of the event.

First the pie winners. The 25's were a little slow coming in at first, but then they really started to roll in. ALL the pie's were given out for 25's shot. Eighteen 25's were turned in for the whole day but some shooters had multiple one's. One pie per shooter, that worked out good.

**In the group. Scott Messenger, the huge Carmel Apple Walnut Crunch, Dean Rutten, Dennis Kecker, Jimmy Bowen, Jerry Demulling, Jack Swanson, Scott Steffen, Terry Peterson, Curt Peterson, Charlie Leavitt, and Bob Smith. Scott Messenger was gracious enough to share his treasured prize with the crowd, heaped up with whipped cream and ice cream.
Thanks Scott.**

Again, thanks everyone for making this one to remember. Jackpot's every Saturday...Practice up for November 19th. We'll be having our Thanksgiving Turkey Jackpot Shoot. And then on November 20th the MGC Shooters will travel to Del Tone Luth to hand them Northern Shooters some turkey butt. The Club that claims the most turkeys gets bragging rights for a year. Hope to see you at both Clubs. Jimmy Bowen
