

Minneapolis Gun Club Jackpot Results February 22, 2014

Another brutal day at the Jackpot Traps.....12" of oh so pretty snow....and 15 mph winds. But, shooters showed up so shoot we did. Zach Warweg was in town from Fargo and shot his way to top honors. Nice shooting Zach. Thanks to everyone who shot today and braved the elements. Hope to see you next week. Good luck to all the MN and WI shooters at the Spring Grand in Tucson.
