

Minneapolis Gun Club Jackpot Results September 27, 2014

Good weather means good scores, and there was no shortage of them for the Jackpot Opener.

First squad out, 'ol Ken Norman posted a 48 and that got everybody's attention, and made them get on their game. Not to be outdone, Jerry Demulling had a hard time hitting the 16's but ran the Cap's and posted a 49.

Usually, when you shoot a 47 or 48, you think you're sitting pretty good, but the Lewis Class system can take care of that in a hurry. Especially when Jerry goes out wanting to make sure he has both ends of the dreaded coin flip covered and ran the 16's, missed one in the Cap's, for another 49. Oops, there goes the 47's & 48's. He even took his wife out, which means a long ride home!! Nice shooting Jerry.

The results are.....

1st Class....Jerry Demulling 49....Jerry Demulling 49

2nd Class....Leo "what the heck gun is this" Switala 45....Ray Steffenson 45

3rd Class....Troy "Smooth" Smith 43....John Podergois 43

4th Class....Al Doucette 41....Jack "The Man" Swanson

Ties = Handicap from the front then Handicap from the back

Thanks to everyone who shot and came out to enjoy the great weather.

Next Saturday, same place, same time.

Hope to see you there.
