

Minneapolis Gun Club March 12, 2016 St. Patrick's Jackpot Results

A BEAUTIFUL day at the MGC traps Saturday!!!! And, as in the past, good weather and well set targets = Great scores. A HUGE "Thank you" to everyone who shot and especially those that drove a long way to be part of the good times. Lots of burger's were given out, the good lighting conditions made 'em florescent looking flying through the air, enough so that some of the shooter's lifted their head to get a better look at them. :->)

12 places paid out with only one shooter doubling up and 2 scores of 49 turned in. Congrats to Ray Monson and Sandra Jo Jack for shooting the 49's, great shooting both of you.

In 2 weeks, we will be hosting our **annual Easter Ham Jackpot Trapshoot**. We'll have some nice "big ass" hams to give away for a 25 straight in either singles or handicap.

Hope to see you next Saturday.
