

## **Minneapolis Gun Club Jackpot Shoot Results March 10, 2018**

An "average" March day at MGC. Meaning, the temp was average for this time of year. 36 degrees, cloudy with a E/SE breeze. Nothing like last weekend with the 35 mph winds.

A good turn out today and Scott Steffen showed us all that he hasn't lost his "Tucson Touch" and proceeded to take the top 2 spots. Nice shooting Scott...again. And, only two 25 straights posted....Jimmy Brand and Jamie Victor. Yeah, a girl, first time shooting at MGC. Nice shooting Jimmy and Jamie.

Next Saturday, St. Patrick's Day, we'll have randomly placed White Flyer GREEN targets loaded in the traps and if you get one, now don't lift your head to peek at it, and hit it, you'll get one of those famous MGC burgers. So, put your kilts in the car.....and leave them there....please.....and c'mon out and have some fun.
