

Minneapolis Gun Club Jackpot Shoot

April 13, 2019

Another cool, windy, overcast day at the MGC traps but a whole lot better than the foot of snow with 55 mph winds we had earlier in the week. But, for what it's worth, the forecast for next Saturday, the MGC Jackpot Finale Easter Ham Shoot is lookin good. 63 degrees and sunny!!!! We won't know how to shoot in such nice weather. We can only hope.

This was the last Saturday to qualify for the \$1000 added money so that means that Saturday it will have to be game on. We'll have some nice bone-in hams for 25 straights or next high scores too. Appetizers and desserts will be welcomed...and appreciated. I'll bring the Jimmy Bowen Jalapeno Cheese Dip.

Hope to see you there. Shooting starts at 10:00 and goes until 4:00. Shoot often....shoot straight.

Today, there were only two 25 straights, Glenn Linden and Randy Jones. Nice shooting guys. Randy had high score of the day, the lone 47. Way to go Randy.
