

Minneapolis Gun Club Jackpot Shoot

April 20, 2019

Jackpot shooters good morning and Happy Easter and Passover.

A big day at the MGC traps. The Jackpot Finale combined with the Easter Ham Shoot, and the weather was close to perfect. A high of 77 degrees, not a cloud in the sky and a "manageable" breeze from the SW. We got things going right at 10:00 and the shooting continued until almost 4:00.

2nd squad out, the ham's started being claimed when Curt Peterson ran the singles and posted a 48. Jerry Demulling next, running the singles and posting a 47. Ken Norman did it the hard way, ran the Handicap for his Easter dinner. Nice shooting guys.

But, Curt Peterson didn't stop there. Yeah, the Curt Peterson that had posted 50 straights earlier in the season....did it again today. Now the targets were "good" but the south breeze did cause them to jump around a bit but Curt stayed right with them and got 'em. And today was the day to do it. That 50 straight gave him high gun in the Daily Lewis Class payout, High gun in the \$1000 added money Finale, a flat of shells, and 1/2 of the money in the Perpetual Purse!!!! He went home with food, shells and cash...lots of cash!!! Outstanding shooting Curt.

Kudos also go out to Cheryl Demulling. Cheryl had a bunch of "boys" wishing that they could "shoot like a girl" today. Cheryl posted a 49 today and took 2nd in 1st Class. Way to go Cheryl!!!!

MGC would like to thank everyone who participated in the MGC Jackpot shoots this season. It's a great way to spend the off season and to keep in contact with everyone. Also, thanks to those that brought food to share today. Jimmy Brand, the Lemon Meringue Pie Master, had his pie gobbled up in about 5 minutes today. IF you ever get a chance....grab a slice. It's to die for. Thanks Jimmy.

OK, the hams winning hams....Curt Peterson..Jerry Demulling..Ken Norman..Lenny Lindquist..Randy Jones..Jimmy Bowen..Dennis Kecker..David Maples..Scott Messenger..Barclay Holscher. All of the hams were awarded by 25 straights. Nice shooting everybody.
