

## **Minneapolis Gun Club Annual Christmas Ham Jackpot Saturday, December 21**

Saturday MGC will be holding their Annual Christmas Ham Jackpot. We'll round up 10 delicious bone-in hams to award shooters for a 25 straight in either singles or handicap.

If there aren't enough 25's then we'll drop down to the next highest score until the hams are gone. One per shooter.

Also, if you're up to it, bring an appetizer, dessert, snacks, etc. along to share. MGC will cook up a ham for sandwiches. The long range weather guess is for 30 degrees and partly sunny which will feel like Tucson compared to today! Hope to see you there.
