Welcome to Beaverbrook
Fall Classic Trapshoot.
We hope you will join us for this event.

Practice traps will open one hour before first event. Events will begin as indicated in this program.

Classification and Handicapping will be determined by current average and known ability.

Should a shooter earn yardage in any handicap event, it shall be the shooter's responsibility to report to the classification desk to have his/her ATA card properly punched.

It is the shooter's responsibility to check the posting of their scores, options played and their classification/handicap.

Check your score after each station; it cannot be changed once shooting begins on the next station or once the shooter leaves the trap field.

Each event closes when the last squad has cleared the first trap.

No refund will be given for any options played once an event has started. All monies will be refunded if the event or events are cancelled.

Trap loads are available at the club.

Reloads are permitted and must conform to ATA rules.

Beaverbrook Sportsman Club is not responsible for any accident or loss of property.

Management has the right to refuse entry, remove or disqualify any shooter who interferes with the harmony of the shoot or the other shooters. Management also has the right to alter, postpone or extend any or all of this program.

A special *Thank You* to Capra's sponsorship

Capra's Sporting Goods, a renowned hunting and fishing outfitter store in the Twin Cities, has been a trusted name in the industry since its establishment in 1980 by Ted Capra. For over four decades, Capra's has provided outdoor enthusiasts with top-quality equipment, expert advice, and exceptional customer service.

In October 2022, Capra's Sporting Goods underwent an exciting transition as it was acquired by Sam Oftedahl and his wife Kirsten, along with Brian and Karla McNallan. Sam, a seasoned professional with 15 years of experience in the outdoor industry, brings a deep passion for hunting and fishing, along with a commitment to upholding the store's long-standing family tradition.

As the new owner, Sam Oftedahl is committed to maintaining the exceptional reputation Capra's has built over the years. He envisions Capra's Sporting Goods as more than just a retail store but a community hub for outdoor enthusiasts, where they can gather, exchange stories, and learn from one another's experiences. Sam's goal is to foster a welcoming and inclusive environment that reflects the spirit of the outdoor lifestyle and encourages people to explore and enjoy the natural wonders around them.
